

Certificate of Appearance Design Patent

Name of design: Touch Display(TDS01/20a)

Designer: Ms. Xie Juan

Patent No.: ZL 2012 3 0010291.4

Date of applying: January 13, 2012

Patentee: Shenzhen Hechuang Hengye Science and Technology Co., Ltd.

Date of authorization proclamation: July 18, 2012

After preliminary examination based on Patent Law of People's Republic of China, we've decided to authorize the appearance design patent, issue this certificate and register on patent rolls. The patent right becomes effective since the date of authorization proclamation.

The duration of this patent is ten years starting from the date of applying. The patentee should pay an annual fee according to Patent Law and its enforcement regulation. The annual fee of this patent should be paid before every January 13; if the annual fee is not paid as regulated, the patent right should be terminated since the date when the annual fee paid expires.

Certificate of patent records the law situation when the patent right is registered. Any transfer, pledge, invalidation, termination, recovery, or change in patentee's name or title, nationality and address is recorded in the patent rolls.

Chief of Bureau: Mr. Tian Lipu
